Her eyes, her eyes, make the stars look like they're not shining

Her hair, her hair, falls perfectly without her trying

She's so beautiful, and I tell her every

day

I know, I know when I compliment her she won't believe me

it's so, it's so, sad to think that she don't see what I see

But every time she asks me do I look ok I say

When I see your

face

Not a

thing that I would change, cause you're ama-

zing just the way you

are

When I see your

face

Not a

thing that I would change, cause you're ama-

zing just the way you

are

When I see your

face
