

BOAT ON THE RIVER

Styx 1980

Take me back to my boat on the river,
I need to go down, I need to come down.

Take me back to my boat on the river,
and I won't cry out any more.

Time stands still as I gaze in the water
she eases me down touching me gently with the
waters that flow past my boat on the river
so I don't cry out any more.

Oh the river is wise, the river it touches
my life like the wave on the ^{Dur}sand
and ^{Moll}all roads lead to tranqui- lity base, where the
frown on my face disap **pears**.

Take me *down* to my boat on the river,
and I won't cry out any more. + Solo over Vers

Oh the river is deep, the river it touches
my life like the wave on the ^{Dur}sand
and ^{Moll}all roads lead to tranqui- lity base, where the
frown on my face disap **pears**.

Take me *down* to my boat on the river,
I need to go down, oh would you let me go down.
Take me back to my boat on the river,
and I won't cry out any more.
and I won't cry out any more
and I won't cry out any more
