

# LOVE

Lennon & Maisy für Coop Bioline 2014

2er in Bb-Dur (G-Dur Capo III)

bpm 86 - 3-Finger Picking

1 Oh tumblin' leaf You fly so high  
Let's go chasin' Butterflies  
We follow clouds (we follow clouds) Up in the air (up in the air)  
Painting pictures Of fairy tales  
Oh, summer sun Hold me in  
your arms  
I love you mother nature, your sunny fields of green  
I love your taste of freedom, your singing in the wind  
I love (I love) breathin' deeply, to smell your summer rain  
I love (I love) when you kiss me with your sunlight on  
my face  
I love (I love)

2 I lay my head under the tree  
How many seasons he might have seen  
The golden fields (the golden fields) They softly bow (they softly bow)  
And seem to whisper a lullaby  
Oh summer sun Hold me in  
your arms

I love you mother nature, your sunny fields of green

I love your taste of freedom, your singing in the wind

I love (I love) breathin' deeply, to smell your summer rain

I love (I love) when you kiss me with your sunlight on

my face Like a warm

embrace

O-oh you little bird Tell the whole wide

world That I save my love for/3

her

I love you mother nature, your sunny fields of green

I love your taste of freedom, your singing in the wind

I love (I love) breathin' deeply, to smell your summer rain

I love (I love) when you kiss me with your sunlight on

my face

I love (I love)
