1 I was scared of dentists and the dark,
I was scared of pretty girls and starting conversations
aall my friends are turning green,
You're the magicians assistant in their dream.
aOh Oh Ooh
aOh, Ooh and they come unstuck

Lady, running down to the riptide, taken away to
the dark side, Iwan-na be_e your left ha_nd man.

I love you when youre singing that song nd, I got a lump in
my throat 'cause you'regon-na sing the words wrong

2 There's this movie that I think you'll like,
this guy decides to quit his job and heads to New York City,
this cowboy's running from himself.
And she's been living on the highest shelf
aOh Oh Oh
aOh, Oh and they come unstuck

**Lady, running down to the riptide, taken away to
the dark side, I wanna be your left hand man.**

**I love you when you're singing that song and, I got a lump in
my throat 'cause you're gonna sing the words wrong**

I just wanna, I just wanna know
If you're gonna, if you're gonna stay
I just gotta, I just gotta know,
I can't have it, I can't have it a-ny other way
I swear she's destined for the screen,
Closest thing to Michelle Pfeiffer that you've ever seen, oh
