

# WHAT DO I KNOW

Ed Sheeran 2017

Original in E - Easyplay in D

**1** Ain't got a soapbox I can stand upon  
but God gave me a stage, a guitar and a song, my  
Dad-dy told me: "Son, don't you get in-volved  
in Po- litics, religions'or other people's quotes"

**1b** I'll paint the picture, let me set the scene  
I know when I have children they will know what it means  
And I pass on these things my family's given to me  
Just love and understanding, positivity:

**We could change this whole world with a piano  
Add a bass, some guitar, grab a beat and away we go  
I'm just a boy with a one-man show  
No university, no degree, but lord knows  
Ev-'rybody's talking 'bout exponential growth  
And the stock market crashing in their portfolios while  
I'll be sitting here with a song that I wrote  
Sing: Love could change the world in a moment, but what do I-  
know?  
Love could change the world in a moment, but what do I-  
know?  
Love could change the world in a moment.**

2 The revolution's coming, it's a minute away

I saw people marching in the streets today

You know we are made up of love and hate

But both of them are balanced on a razor blade

2b I'll paint the picture, let me set the scene

I know, I'm all for people following their dreams

Just re-remember life is more than fittin in your jeans

It's love and understanding, positivity

**We could change this whole world with a piano....**

3b I'll paint the picture, let me set the scene

You know the future's in the hand of you and me

So let 's all get together we can all be free

Spread: love and understanding, positivity

**We could change this whole world with a piano....**
